

Dear Students,

This is to inform all students that maintaining proper uniform and discipline is an important part of school life.

All students are expected to:

- ✓ Come to school in complete and neat uniform every day
- ✓ Wear clean shoes and proper socks
- ✓ Maintain good behaviour in the classroom and school campus
- ✓ Follow teachers' instructions with respect
- ✓ Keep the classroom environment quiet, clean, and disciplined
- ✓ Be punctual and attend school regularly

Discipline and cleanliness reflect a student's personality and help in creating a positive learning environment.

We request all students and parents to cooperate in ensuring these rules are followed sincerely.

Thank you.

Sangeta
Regards,

Himalaya international school
