Dear Parents

With the onset of the new session 2023-24, we are again set with a bunch of activities for our students as we feel that activities play a crucial role in providing a holistic approach towards the education of children. Activities not only brush up the individual skills of children by improving their concentration power, physical endurance, aesthetic sense, decision making ability and communication skills but also help in enhancing their overall personality, hence boosting up their morale. Keeping this in view, the following activities will be taken up in this session:

- **Music:** Classical and Light Music, Harmonium, Piano, etc.
- **Dance:** Kathak, Folk, Free Style, Bhangra, etc.
- **Taekwondo:** Self-defence techniques and Martial arts under the supervision of a professional trainer.
- **DIY (Do It Yourself):** Best out of Waste, Painting to Ceramics, Art and Craft Artefacts, Glass paintings, etc.
- **Personality Development:** In this class, students will be prepared for Zonal and Inter-School Competitions. They will be taught how to conduct themselves in different events, proper pronunciation of words, voice modulation, speech rendition, stage presence and also general and specific etiquettes in different situations.
- **English in Action:** This class is specially meant to develop the Writing Skills of students in English. They will be taught how to form simple and complex sentences, how to use words in a sentence in an impressive manner, use of tenses correctly, enhancing vocabulary and modification of sentences. It will inculcate passion for Creative Writing.
- **English Communication Skills:** In today's competitive era, it is quintessential to have a good command over spoken English, which can only be perfected through regular practices and having the basic knowledge of the language. This class is specially formulated to brush up the communication skills of the students to garner confidence to face the outer world.
- **Calligraphy / handwriting**
- **Swimming**
- **Table-Tennis**
- **Yoga**
- **STEM Activity**

Note: A student is free to choose one or more than one activities which will be charged at the nominal rate of ₹400 per month having 2 classes in a week except STEM which will be having 3 classes in a month for each activity. Interested parents are requested to deposit the fees by 1st April 2023 to their respective class teachers.
